Professional Curriculum Vitae

Name: **Ran Kalif.**

Japanese acupuncture practitioner.

Running a busy clinic in Tel Aviv for the past 10 years, daily practice in modern Japanese acupuncture, Japanese Kampo, Homotoxicology, Radionics and Raw vegan nutrition.

Years in acupuncture practice: 11.

Clinical experience so far, in terms of patient sessions: More than 40,000 clinical sessions, focusing in Japanese acupuncture, Chinese herbology and homotoxicology.

Have been teaching the following subjects:

- ICCM College 1993-1998: I have been a senior lecturer and clinical supervisor at the Israeli College of Complementary Medicine (ICCM) in Tel Aviv. Lectures were given in the following topics:
 - Zen Shiatsu and Sotai applications (12 courses).
 - Chinese Medicine Pathology (a fourth year level courses).
 - Chinese Medicine clinical techniques (a third & a fourth year level courses).
- 1994-5: A course in Natural therapy and Sports Injuries at the Wingate Academic Institute of sports, aimed for professional trainers.
- 1996-2003: Advanced Japanese style clinical workshops for graduating students and Chinese medicine practitioners, mainly in the subject of Pain Management, Traumatic Injuries, Skeletal Imbalances, and Sports Injuries.

- April 1998: Lecturing at Emperor's College in LA, USA to CEU practitioners program on Biomagnetic treatment systems.
- 1998-2000: Lecturing at the Minhal Academy, focusing on modern and classical applications of Japanese acupuncture.
- 1999-2002: Lecturing at the Minhal Academy, focusing on modern and classical applications of extraordinary meridians.
- 1996-2003 I have developed and currently running post-graduate programs in Japanese acupuncture and Japanese modern biomagnetic practices with Kiiko Matsumoto & David Euler.
- 1996-2000 CEO and founder of the "Complementary Health Services Company" which is owned by Israel largest health insurance firm "Kupat Holim Clalit". As such I was setting up a net of 12 commonwealth clinics employing 300 practitioners from various styles of healing that offer good standards of complementary health services nationwide.
